Profile

I am a very keen and enthusiastic Year 10 student age 15. I particularly enjoy sports and am involved in teams both in and outside of school. Through my football experience, I believe I am a good team member, enjoy working with others and am developing leadership skills. I have very good IT skills and am beginning to design my own websites. I am very well organised and have an excellent record of punctuality and attendance. In the future, I intend to study A-levels and then hopefully go to university. I am currently looking for work experience working in a sporting/fitness environment.

Education

Work Experience

Babysitting: I regularly look after my Aunt's children ages 5 and 3 and I have to ensure the children are safe and are put to bed at the correct time sometimes I also have to prepare their dinner.

Interests and Achievements

I am a keen footballer and regularly play for my team Clapham Junior Ladies. I train every week and play matches on Saturdays. I like to help the younger teams to improve my leadership and coaching skills. I enjoy going out with my friends and particularly like going to the cinema. I play the drums and am working towards my Grade 3. I am a member of the school council at school.
